Dear _____ :

This year with new features and a modified location, FERIA del Barrio continues to celebrate community and culture to the beat of live music, dance, activities for the family, and more on **Sunday, September 17, 2017**. Join us at Philadelphia's famed Golden Center as thousands gather to enjoy this family-friendly outdoor celebration supported by our TV media partner, Comcast -Telemundo62.

Now in its 32nd year, FERIA del Barrio is presented by Taller Puertorriqueño in partnership with Congreso, GALAEI, HACE and Raíces Culturales Latinoamericanas. It is the largest event presented by a coalition of organizations dedicated to the promotion of arts, culture, education, health and community economic development. Together, we serve thousands each year.

As a partner, your company can benefit and be part of the strength and pride of the Latino community. With education, economic development and arts and culture, as it's tools, the organizations provide a sustainable model of growth for the neighborhood in North Philadelphia. With our proven records of positive impact on the people in the area, your company will benefit from that demonstrated success, as well as from the visibility of FERIA to reach the expanding Latino market.

The people and the scope of the festival

More than 200,000 Latinos live in Philadelphia, more than 12% of the population and 500,000 live in the region. At the 31st FERIA in September 2016, our audience survey showed that 24% were new to FERIA, 85% were Latinos, 85% were from Philadelphia with 15% coming from New Jersey, New York, and others. Consistent with other FERIAS, a large majority prefers to communicate in Spanish, with TV, radio and word of mouth being the most accessible mediums. Respondents' report of the quality of the food, location, and entertainment at FERIA were overwhelmingly four and five on a scale of 1 to 5 with five being best.

About Sponsorship

As a sponsor and vendor, you will have face-time with the Philadelphia region's fastest growing population. Whether you're a community provider looking to promote programs or services, or a business looking for customers, FERIA del Barrio delivers. For this year's FERIA, the first in the location of the new El Corazón Cultural Center, we expect to welcome thousands of guests and reach over a million households throughout the region through a comprehensive social media, print, radio and television marketing and advertising campaign with our media partners Telemundo62 TV and MEGA radio.

We invite you to review the attached sponsor and vendor opportunities, and encourage you to join us once again, or, for the very first time!

To discuss this opportunity further, or to confirm your participation, contact Dr. Carmen Febo-San Miguel at cfebo@tallerpr.org. We look forward to seeing you at the Golden Center on Sunday, September 17th!

Sincerely,
